BACK UP PLAN

We appreciate that You may want the certainty of knowing that if products You buy are faulty they are covered for a specific time period.

When You purchase the Back Up Plan, You are obtaining certainty as to the period of coverage and the remedy You will receive and the convenience of having the repair and/or the replacement process managed for You by the Back Up Plan Administrator under the Plan.

There are 2 types of Back Up Plans covering mechanical or electrical failure: **Replacement Cover** Plans and **Repair Cover** Plans. Replacement Cover Plans are only available for certain products costing \$1,000 or less, provide a one-off **replacement** of Your purchase and cover commences 12 months after the date of purchase, or upon expiry of the original Manufacturer's Warranty, whichever occurs later. Repair Cover Plans are available on most products, provide a **repair** of Your purchase and cover commences upon expiry of the original Manufacturer's Warranty. The product may also be replaced in some circumstances (see Replacement Terms).

This Back Up Plan is not an insurance policy, nor are We insurers. The plan is a warranty and service product supplied by Us in respect of products We sell.

Your Retailer has entered into a separate indemnity and administration agreement with The Warranty Group Australasia Pty Ltd ABN 37 005 004 446 (the "Administrator") and their group's insurance company, Virginia Surety Company, Inc ARBN 080 339 957 both of Level 2, 693 Burke Road, Camberwell, VIC 3124.

Please ensure that You keep Your original purchase receipt and/or Tax Invoice to describe and validate Your purchase of both Your Product and this Back Up Plan. These documents constitute proof of the purchase of this Back Up Plan. In the event of a claim these documents may need to be produced.

A separate Back Up Plan must be purchased for each product. If You have purchased more than one product on the same purchase receipt, then this Back Up Plan will only cover the product specifically described on the purchase receipt and/or Tax Invoice as being covered by a Back Up Plan with a separate itemisation of its cost.

The Back Up Plan code/s listed on Your Tax Invoice supplied by the retail store will specify the term of Your cover. The Back Up Plan cover commences at the expiration of the original Manufacturer's Warranty for Your Product. Please refer to paragraph 'Period of Cover' below for further information.

AUSTRALIAN CONSUMER LAW

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law ("ACL"). You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage.

You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

The ACL protects consumers by automatically giving them basic, guaranteed rights for goods they purchase ("Consumer Guarantees") at no charge. For example, the ACL requires that, taking account of the nature of goods, the price, any representations made by the supplier or manufacturer and other relevant circumstances, the goods must be free of defects, do what they are meant to do, be safe, durable and acceptable in appearance and finish, be fit for any particular purpose that the consumer makes known and comply with any description given or any demonstration model used.

In the event of a breach of a Consumer Guarantee where there is a major failure of the goods, consumers are entitled to reject the goods and choose a replacement or refund and claim compensation for any reasonably foreseeable loss or damage suffered by consumers as a result of the failure. Where the failure does not amount to a major failure, consumers are entitled to have the supplier repair or replace the goods (at the supplier's choice). Whether a specific failure breaches a Consumer Guarantee and a consumer is entitled to a remedy under the ACL will depend on the circumstances.

Consumer Guarantees have no set time limit but generally last for an amount of time that is reasonable to expect in the circumstances, given factors including the cost and quality of the goods, the use made of the goods or any representation made by the supplier or manufacturer. Consumer Guarantees may continue even at the expiry of the Manufacturer's warranty for the goods or this Back Up Plan. The exact amount of time that Consumer Guarantees last in the case of a specific purchase varies depending on the circumstances.

Consumers with a claim for breach of a Consumer Guarantee should contact the supplier of the goods at first instance. If You are unable to reach resolution with the supplier as to the remedy, You should seek independent advice and/or contact the ACCC or Your state/territory fair trading body.

WHAT IS COVERED UNDER THIS PLAN

You will be entitled to the benefits set out below that are not available under the ACL, subject to the terms of Your Plan:

- Certainty as to the exact period of cover
- Convenience of having experienced operational and technical staff to manage the repair and/or replacement process
- Specified days for repair time guarantee
- Availability of a loan product
- Toll Free technical assistance

Later in this brochure We provide a table which explains the difference between this Plan and Your rights and remedies under the ACL.

In the event of Your Product suffering a Mechanical or Electrical Failure, We will pay for parts, labour and service call out fees as per the original manufacturer's service limitations required for Your Product to be repaired to normal working order, subject to the terms and conditions of this Back Up Plan. This Back Up Plan applies in addition to any existing warranty included in the Original Purchase Price for Your Product or insurance applicable. However, the cover will not apply to the extent Your Product is otherwise covered and able to be claimed under a Manufacturer's Warranty applicable to Your product (see the Period of Cover section for further details).

The maximum amount payable by Us under this Back Up Plan will be the Original Purchase Price of Your Product (inclusive of GST) per claim.

Refurbished parts may be used to repair goods. All parts used (whether new or refurbished) will have a minimum guarantee period regardless of how much cover is remaining on Your product at the time of the repair.

In the case of Your Product being covered by a replacement plan, We will always replace with a new product rather than repair.

FOOD SPOILAGE

If Your Product is a fridge or freezer We will reimburse You for food spoiled as a result of a mechanical or electrical defect with a benefit up to \$200 (including GST).

LAUNDRY COSTS

If Your Product is a clothes washer or clothes dryer, we will reimburse You up to \$200 (including GST) for laundry costs You incur as a result of a mechanical or electrical defect which renders Your Product inoperable for a period of greater than seven (7) working days (excluding the time You take to manage Your obligations during the claim process), commencing from the time We have been notified by You of Your Product failure. Receipts for laundry costs must be submitted to support Your claim.

COVER FOR TRAVELLERS

If Your Product is of a portable nature (camera, notebook or tablet) it is covered worldwide, while You are travelling and whilst the product is in Your possession. However, You may be required to locate a suitable and convenient repairer if outside Australia or New Zealand. You may be required to pay for repairs while outside Australia or New Zealand, and seek reimbursement. Whilst overseas please note the following address for contact: rescuecrew.au@thewarrantygroup.com.

If Your repair takes longer than 30 days, We will replace Your Product in accordance with the replacement conditions detailed under the section headed Replacement Terms. The 30 Day Repair Guarantee commences from:

- the date upon which the repairer receives Your Product; and ends on:
- the date upon which the repairer sends to You or makes available Your Product, having completed repairs.
- any period where You are unavailable for product pickup or delivery will not form part of the 30 Day Repair Guarantee.

This guarantee will only apply to:

- A. repairs completed in Australia; and
- B. repairs when We are not able to provide You with a loan product for use during the repair period.

REPLACEMENT TERMS

If You have a Repair Cover plan, at Our sole discretion, We may replace Your Product with a new product as determined by Us when Your Product is not economically repairable or repair costs exceed the Original Purchase Price of Your Product, regardless of the original Manufacturer's policy on replacement. If Your Product is covered by a Replacement Cover Plan under this Back Up Plan, We will always replace with a new product rather than repair subject to a satisfactory inspection to confirm that the fault is covered by this Back Up Plan. For products costing less than \$500 this assessment will be carried out on the phone and in-store. For products costing over \$500 the assessment will be carried out by the Administrator's authorised repair agent.

The replacement product shall be equivalent in specifications of Your original product and the cost shall not exceed the Original Purchase Price You paid for Your Product.
