Dimensions

Depth	280 - 460mm
Height	A 180mm
Width	B 598mm

Features & Benefits

Easy installation

This rangehood can be either externally ducted through the top or back or can recirculate air internally through its filters, making it perfect for apartments.

Simple to use

Intuitive controls responds to the touch of your finger. Two halogen spotlights provide clear illumination over the entire cooking surface.

Easy clean

Two filters, consisting of layers of aluminium mesh, effectively trap grease particles during extraction. They are easy to remove and dishwasher safe, or can be cleaned by hand in hot soapy water.

Designed to match

With the white glass front panel handles and a brushed stainless steel finish, this rangehood is designed to match the rest of the Fisher & Paykel's kitchen appliance family.
