With love and care.

We love our planet as much as you do. We are proud that many of our products, like the Bo Touch Bin, are Cradle-to-Cradle® Certified on the Bronze level. This means they meet strict requirements for (re)use of materials, renewable energy, water stewardship, and social fairness. If you would like to know more, please visit www.c2ccertified.org

BOTOUCH BIN.

Which Bo do you like the most?

White

Passion Red

Daisy Yellow

Platinum

Fingerprint Proof
Matt Steel

Matt Black

Mineral Golden Beach

Mineral Windsor Red

BOTOUCH BIN.

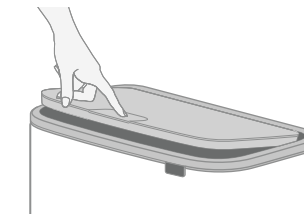

A true beauty.

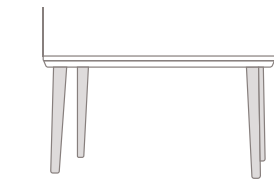

Bo Touch Bin is available in a range of beautiful hues, including two exclusive mineral colours. The textured Golden Beach and Windsor Red are part of the Sense of Luxury collection.

And there's more to Bo than lovely looks! Bo is also very space-efficient and perfectly fits against a wall or cabinet.

Bo Touch Bin opens with the lightest touch and has the ideal height. You don't have to bend down and cleaning underneath is easy. What's not to love?

I open with the lightest touch

I have the perfect height

MAKE WASTE BEAUTIFUL.

Bo Touch Bin. A new way of looking at waste.

Say hello to **Bo!**

Looking for a beautiful waste solution for your home? Meet Bo Touch Bin! Bo is designed in The Netherlands and made with love and care in our factory in Belgium. She is the result of almost 100 years of craftsmanship and the latest technology. Made of high quality materials Bo comes with a 10 year guarantee and service.

Organize waste your way.

Bo Touch Bin combines a beautiful design with all features for easy waste management at home. One, two or even three removable inner buckets for waste separation - it is up to you!

Of course matching PerfectFit bin liners are available - the colour code at the inside of Bo's lid will tell you which PerfectFit bag to buy.
