2. Power Defrost Button
3. Auto Cook Button
4. CERAMIC INSIDE™
5. Home Dessert Button
6. ECO Mode
7. Simple Touch Control Panel
8. Modern Sleek Design

1

Cook food thoroughly

Triple Distribution System

Heat food thoroughly and evenly with the Triple Distribution System. Microwaves are distributed in 3 directions so they reach every corner and penetrate food for even heating¹.

2

Defrost food fast

Power Defrost Button

Save time defrosting frozen ingredients using the Power Defrost Button. With 4 different options to choose from: (meat, poultry, fish, bread/cake), simply select the type and weight of your food and Power Defrost will select the appropriate mode, time and temperature settings².

3

Pre-set food options

Auto Cook Button

Take the guesswork out of cooking. Auto Cook has 15 pre-programed foods to choose from including poultry, pasta, fish and vegetables. Just select the type and weight of your food and Auto Cook will select the appropriate mode, time and temperature settings².

4

Durable & easy to clean

CERAMIC INSIDE™

Made from ceramic enamel, the microwave interior can be cleaned without excessive scrubbing. It can even help prevent up to 99.9%³ of certain bacteria growth.

5

Desserts made easy**Home Dessert Button**

Enjoy delicious homemade desserts without the hassle and energy of an oven. You can now bake brownies, banana bread, sponge cake and more⁴ in your microwave. Simply choose the dessert you want, mix the ingredients and select the Home Dessert option.

6

Optimise energy use**ECO Mode**

Activate ECO Mode when not in use to power off the screen display and run your microwave at the minimum power settings.

7

Quick & easy controls**Simple Touch Control Panel**

Enjoy simplified controls for easy cooking. Simply select the function and adjust settings with a light touch of your finger. The flat glass touchscreen not only looks stylish, it even makes it easy to clean.

8

Suitable for any kitchen**Modern Sleek Design**

Give your kitchen an ultra-modern vibe with an elegantly stylish and seamless design. It has a minimalist flat door with recessed handles across its top and bottom. So it looks sleek, does not protrude and you can conveniently open the door using either handle.

1. Results may vary depending on the type of a food being cooked.
2. How thoroughly each dish is cooked may vary depending on the ingredients and menu.
3. Based on testing from Hohenstein Laboratories GmbH & Co. KG internal testing in accordance with the ISO 22196 standard in a laboratory setting. The antibacterial enamel of the microwave oven shows antibacterial activity which can help prevent the growth of 99.9% of Staphylococcus aureus and Escherichia coli bacteria. Results may vary depending on the actual usage conditions.
4. For detailed recipes, please refer to the manual.

SPECIFICATIONS

Model Code	MS40DG5505AG
Material Code	MS40DG5505AGSA
EAN Code	8806095509136
RRP	329

PHYSICAL

Gross Dimension (WxHxD)	627 x 389 x 520 mm
Gross Weight	19.0 kg
Net Dimension (WxHxD)	555 x 313 x 488 mm
Net Weight	17.0 kg
Cavity Dimension	375 x 262 x 392 mm
Capacity	40 L

DESIGN

Product Type	Solo
Installation Type	Freestanding
Colour (Door)	Black Stainless Steel
Colour (Cabinet)	Black
Control Method	Touch
Door Type	Recessed Handle
Cavity Material	Ceramic Enamel
Turntable Size	360 mm
