

CrossWave® HF2 | 3848F

WET AND VACUUM HARD FLOOR CLEANER

Get your hard floors cleaner than you thought possible! BISSELL® CrossWave® HF2 is an amazing all-in-one hard floor cleaner that vacuums and washes floors at the same time. Lightweight and easy to manoeuvre, it's safe for all sealed hard floors, including wood. Two-Tank Technology keeps cleaning solution separated from dirty water, so only fresh water and formula touch your floors. Simply press the power button and CrossWave® HF2 takes it from there. Automatic fluid delivery makes sure you always get the perfect amount of formula and water for the best clean. When you're done, you can clean, dry and store your machine in the convenient Storage & Cleanout Tray.

- **VACUUM AND WASH AT THE SAME TIME.** Powerful Vacuum + Convenient Mop for all-in-one cleaning saves you time.
- **LIGHTWEIGHT AND EASY TO MANOEUVRE.** Self-Propelled Steering makes for easy manoeuvrability across hard floors with minimal effort.
- **HARD FLOOR CLEANING.** Hard Floor Brush Roll cleans sealed wood, tile, linoleum, laminate, and other sealed hard floors.
- **CLEAN AND SANITISE.** Hard Floor Sanitise Formula eliminates 99.9% of bacteria¹.
- **TWO-TANK TECHNOLOGY.** Keeps clean and dirty water separate so you always clean with fresh water + solution.
- **SELF-CLEANING CYCLE.** Includes Rinse and Cleanout Storage Tray to ensure your machine is clean after each use.

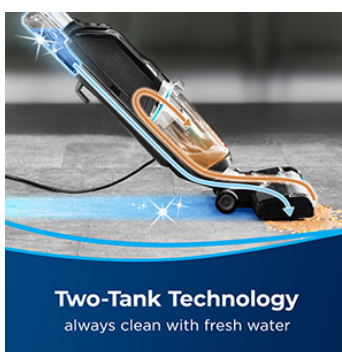

¹ Kills 99.9% of Enterobacter aerogenes (ATCC 13408) and Staphylococcus aureus (ATCC 6538).
