

Tempo Air Conditioner 2.5kw

Hi Wall

White

With innovative Hi-Wall Split System design, the Tempo model is designed to be quiet, reach the desired temperature quickly and maintain a stable temperature, thanks to A-PAM DC inverter technology. This model has a 2.5 kW cooling and 2.9kw heating capacity.

- Self-cleaning, for continuously clean air
- With WiFi remote control, and smart speaker voice control
- Intelligent Air Flow directs cool or warm air in the ideal direction to maximise efficiency
- Sleep mode ensures you don't get too hot or too cold at night, for utmost comfort

FEATURES & BENEFITS

Continuously clean air

Your Tempo will activate its Self Clean function when needed, using Cold Expansion technology to freeze moist air in the evaporator, trapping dirt that is then cleaned out when the frost melts – ensuring air is free of dust and bacteria.

WiFi & Voice Control

Use WiFi connectivity and your app to set air temperature at any time, from anywhere. You can also use voice control through all major smart speaker products, such as the Google Home Hub™ or Amazon Alexa.

Intelligent Air

Intelligent Air directs cool air upwards and warm air downwards, for maximum efficiency whether you're heating or cooling.

Sleep Mode

Get a great night's sleep without becoming too hot, or too cold. Set your Tempo to heat or cool, and Sleep Mode will consistently raise, lower or maintain the temperature during the night to keep the room at the ideal temperature.

Manage your power consumption

An optional extra, Demand Enabled Response can help manage power consumption during peak periods on the power supply network, by allowing your electricity provider to control the air conditioner at various predefined levels.

More efficient heat exchange

Blue Fin is an anti-corrosion coating that makes your Tempo more durable, and enhances the heat exchanging efficiency too.

SPECIFICATIONS

Capacity

Cooling capacity	2.5kW
Heating capacity	2.9 kW

Consumption

Energy rating (cooling)	3 stars
Energy rating (heating)	3 stars

Features

Blue fin coils	•
DC inverter	•
DRED (Demand Response) ready	•
Infrared remote control	•
Liquid line	6.35mm
Suction line	9.52mm

Installation and cleaning

Corresponding outdoor unit	1U26MACFRA
----------------------------	------------

Performance

DC inverter	•
R32 Refrigerant	•

Power Requirements

Power supply	1/230/50
--------------	----------

Product dimensions

Indoor unit depth	195 mm
Indoor unit height	280 mm
Indoor unit width	820 mm
Outdoor unit depth	275 mm
Outdoor unit height	553 mm
Outdoor unit width	800 mm

Warranty

Parts and labour **5 years**

SKU 51550
