

**155L single door freezer, white**  
RRP AUS \$1,149.00

## Product Details

### FEATURES

---

Reversible door                      Frost free                      Super Freeze function                      Electronic controls

---

Multi-flow air delivery system      R600a refrigerant better for the environment      Door alarm

---

### BENEFITS

---

**Understanding new capacity and energy ratings**  
From the 15th August 2021, the way refrigerators are tested to calculate Energy Star Ratings and energy consumption have changed. This means that the capacity and energy rating calculations have changed, however the product remains unchanged. Be sure to check all new ratings to ensure that your comparisons are consistent with the new standards.

---

**Pigeon Pair with WRM2400WE for extra storage solutions**  
Combining the 173L vertical freezer (WFM1700WE) with our 243L all refrigerator (WRM2400WE) provides you with 416L of storage for your fresh and frozen goods.

---

**Super Freeze**  
Quick and convenient, Super Freeze will quickly lower the temperature within the freezer so food will freeze faster.

---

**Four full-width freezer drawers for easy access**  
With four see through drawers, you can easily organise and access all of your frozen items.

---

**Frost free**  
Save time as the freezer doesn't ice up and need manual defrosting

---

**Reversible door**  
The door is reversible so that it may be positioned as either left or right hand side opening

---

**R600a refrigerant**  
More environmentally friendly

---

## Specifications

### PRODUCT PROFILE

Domestic warranty details (yrs)	2
Additional domestic warranty for the sealed refrigeration system only (yrs)	3
Refrigerator Type	vertical freezer
Exterior door finish	White
Handle design	integrated
Fridge door opening	reversible
Cooling system	frost free
Refrigerant	R600a

### Minimum Recommended Airspaces

If you have a cupboard above the refrigerator with a rear gap of less than 100mm (Y), recommended minimum clearance at the top of the refrigerator increases from 30mm to 70mm (X).

**Please note:** Doors are designed to sit proud of cabinetry (not flush).

When positioned in a corner area, clearance of at least 350mm on the hinge side will allow the doors to open enough to enable the removal of the bins and shelves.

Dimensions	Product Height (H)	Product Width (W)	Product Depth (D)	Product Depth (D2) (Door Open)	Airspace	Side - both	Top	Behind
WRB5004SC/ WC	1725	699	641	1360	WRB5004SC/ WC	30	30	50
