

CG90CIXT 90CM CLASSIC FREESTANDING COOKER

MADE IN ITALY
Since 1948

THERMOSEAL

The seal of Smeg's quality, technical excellence and taste: succulent roasts, crisp pastry and impressive baking is achieved in Smeg's unique, perfectly controlled cooking environment. Thermoseal maintains the perfect atmospheric balance in the cavity for optimum cooking conditions.

EVER CLEAN ENAMEL

The superior quality of Smeg's patented Ever Clean enamel, which is highly durable and easy to clean, is the result of over 70 years of enamelling expertise; ensuring long-life performance of every Smeg oven.

VAPOUR CLEAN

A special steam assisted cleaning program that helps to remove any build up of cooking debris inside the oven. Grease or cooking residue is softened by the combination of gentle heat and water vapour for easier removal. This program only needs to run for approximately 18 minutes to be effective, making this a very economical and eco-friendly way to clean the oven.

EIGHT TRADITIONAL COOKING FUNCTIONS:

LARGE FORMAT COOKING

A large 126L capacity with five shelf positions is ideal for cooking several dishes at once. Plus, the 90cm cooktop boasts four induction cook zones so you can have multiple pans on the go at once.

BOOST FUNCTION

Heat a pan at maximum power for a limited amount of time. The Boost function remains active for a maximum of 10 minutes, after which the power level of the zone returns to 9.

RESIDUAL HEAT INDICATOR

If the cooking zone is still hot after being switched off, the **H** symbol will be displayed on the control panel until the temperature reaches below 60°C.

OTHER FUNCTIONS:

CG90CIXT 90CM CLASSIC FREESTANDING COOKER

MADE IN ITALY

Since 1948

EAN	8017709332020
Dimensions	900mmW x 900mmH x 600mmD (excluding handle) (refer to technical drawing)
Finish	Stainless Steel
Installation	Freestanding
Display	Electronic Touch Clock
Power	220-240V, 50/60Hz 10,600W 46A Connection
Warranty	Two years parts and labour

MAIN OVEN FEATURES

Capacity	126L
Cooking functions	8
Other functions	1
Door	Double glazed
Shelf positions	5
Thermostat	50° C - 260° C
Cooking with probe	No
Cleaning	Vapour Clean
Lighting	2 x 40W Halogen
Safety	Thermal protection system
Fans	2
Timer	End of cooking acoustic alarm Timer 1 x Minute Minder
Door	Standard

INDUCTION COOKTOP FEATURES

Capacity	4 zones Front left: 21.0 x 21.0cm 2300W - booster 3000W Rear left: 18.0 x 18.0cm 1300W - booster 1400W Rear right: 21.0 x 21.0cm 2300W - booster 3000W Front right: 18.0 x 18.0cm 1300W - booster 1400W
Controls	Touch control 9 power levels + Boost
Safety	Automatic switch off when overheat Residual heat indicator Control lock
Features	Automatic pan detection Selected zone indicator Minimum pan diameter indication

INCLUDED ACCESSORIES

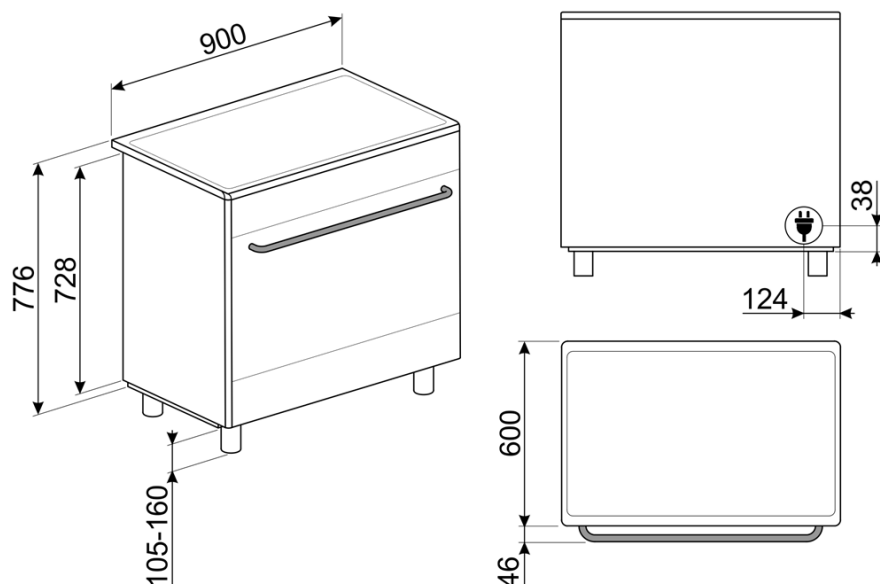

- 1 x Chrome shelf
- 1 x 20mm enamelled baking tray

OPTIONAL ACCESSORIES

- GTP - Partial telescopic guides
- GTT - Full telescopic guides
- PPR9 - Pizza stone
