

Oven, 90cm, 10 Function

Black

This stylish oven has stainless steel and black glass styling, with plenty of room to cook a number of dishes at once, including a delicious roast using the rotisserie.

- Ten oven functions including Fan Forced, Steam Clean and Rapid Heat
- The door, inner glass of the door and side racks are removable for easy cleaning
- Create tender roasts with the help of the rotisserie accessory
- Plan meals easily, with the ability to program cooking duration, or delaying cooking

DIMENSIONS

Height	595 mm
Width	896 mm
Depth	565 mm

FEATURES & BENEFITS

A function for all food

Ten cooking functions include Rapid Heat for when you want to get cooking, fast, and two functions designed for the rotisserie accessory, to help you get a golden brown roast chicken or perfectly cooked roast beef.

Simple cleaning

Run the Steam Clean function to make your oven easy to wipe out – you can even remove the door, inner door glass and side racks for when you're ready for a deep clean.

Stylish design

Stainless steel and black glass design gives a modern finish to your kitchen, and matches with a Haier cooktop.

Safety features

Designed for safety, the oven door glass remains cool during cooking, and a non-tip shelf safety system as well as telescopic guides makes pulling hot dishes out easy. Also comes with a child lock to stop curious little hands.

Rotating rotisserie

Cook a Sunday roast for friends or family with the help of the clever rotisserie, which rotates your meat slowly to circulate juices and help keep it moist.

Everyday convenience

Everything from the soft-close door to the telescopic guides, or the ability to program cooking time or a delayed start has been thought-through for your convenience.
