

BHFEA515J-XE

- 18V Powerseries Plus Stick Vacuum is ideal for weekly cleaning around the home
- Two speed settings for complete cleaning control. Low speed is ideal for light and everyday cleaning, whilst high speed is suitable for a thorough deep clean
- Cyclonic filter assembly spins dirt to the sides and bottom of the bowl to allow optimum pick-up performance for longer
- Powered anti-tangle beater bar designed for a deep, powerful clean with close to zero hair wrap
- Large 500mL translucent dirt bowl allows for a convenient, thorough and hygienic clean

Includes:

- Crevice Tool
