5. FlexZone™
6. Power Cool Function
7. LED Lighting
8. Wi-Fi Enabled
9. 10 Year Compressor Warranty¹

1

Express yourself with colour

Customisable door panels

Bring your personal style into the kitchen. Choose from 7 stunning colours in selected finishes including matte metal, high-gloss glass or frosted satin glass to build a fridge that's unique to your home.

2

Flat door outside. Water dispenser inside.

Beverage Centre™

We've moved the water dispenser inside for a seamless, flat door design outside, and created a handy and hygienic beverage station inside. The autofill water jug, water dispenser and drinks storage are all within easy reach in our new Beverage Centre™.

3

Fridge > Table >> Fast

Autofill Infuser Water Jug

Never worry about empty water jugs again! Serve cold water instantly from fridge to table with the convenient Auto-fill Infuser Jug. It refills automatically each time its placed back inside the fridge². Feeling fancy? Add some flavour to the infuser for a refreshing twist.

4

Lock in crunch

Triple Cooling & Metal Cooling

3 independent cooling systems gives optimal control of temperature and humidity in each compartment. This helps keep food fresher for longer³ while also helping to prevent the mixing of odours between fresh and frozen food. Easy-clean Metal Cooling plate helps the fridge cool down fast, thanks to its high thermal conductivity.

5

Ice without the fuss

Plumbed Dual Ice Maker

You'll be prepared for any occasion that calls for entertaining with two different types of ice. The Dual Auto Ice Maker makes both Cubed Ice and Ice Bites™, which chill drinks fast. It can make up to 2.7kg of ice a day and store up to 3.1kg⁴. As it's in the freezer it frees-up space in the fridge.

6

Customisable temperature & storage

FlexZone™ + Flex Crisper

Need more fridge space? With just one touch, the bottom-left freezer can be turned into a fridge for extra storage and switched back to Freezer mode when needed. Perfect for entertaining!

SPECIFICATIONS

Short Code	SRFX9500N
Representative Model Code	RF65A9675AP/SA
EAN/Barcode	8806094576634
RRP (for set, including colour panels)	\$6,099

PHYSICAL SPECIFICATIONS

Capacity (Gross)	Total	647L
