

SE364TDAU
60CM CERAMIC COOKTOP

KEEP WARM FUNCTION

The efficient nature of Smeg's ceramic cooktops mean that at any time during the cooking process, you are able to activate the Keep Warm function, allowing the zone to maintain a consistent temperature of 70 degrees.

4 ZONES

Two pairs of cooking zones are diagonally positioned for ergonomic access and maximum space efficiency. Each zone offers 9 heat settings.

LIMITED POWER CONSUMPTION MODE

Smeg's range of award-winning cooktops offer a wealth of innovative environmentally-friendly features designed to reduce the consumption of power. The limited power consumption mode provides a more energy-efficient cooking option for a variety of cooking styles.

RESIDUAL HEAT INDICATORS

Each cooking zone's control area will flash 'H' for residual heat if the zone is no longer in use but still retains a residual heat of 60° Celsius or above.

EAN 8017709265755

Finish	Black ceramic surface with bevelled edge
Installation	built in
Size	600mmW x 45mmH x 510mmD
Capacity	4 zones Front left – 1800W Ø18.4cm Rear left – 1200W Ø14.8cm Front right – 1200W Ø14.8cm Rear right – 1800W Ø18.4cm
