For minimum distance requirements and safety advice, please refer to your supplied User Manual, pages 10–11.

Details

Product Dimensions (W, D, H): 900 × 520 × 105mm
Cut-Out (W, D): 870 × 490mm | Warranty: 3 Years

Cooktop Controls

	Zone Selection Used to select and monitor which zones you would like to cook with.
	FlexZone Select This function combines two smaller zones to create a larger cooking surface.
	Temperature Adjust These buttons increase and decrease the selected zone's temperature setting.
	Timer Function A kitchen timer and a way to automatically shut off zones after a set period of time.
	Child Safety Lock Disables cooktop controls to prevent use, such as accidental activation by children.
	Boost Function Used to increase a zone's heat setting to the maximum level for up to 5 minutes.
	Power Button This button is used to easily power the cooktop both on and off.

For a detailed guide on operating your Omega cooktop, please refer to your supplied User Manual, pages 16–24.
