

- Perfect as personal heater as it provides direct warmth
- Efficiently and quickly distribute warm air thanks to the oscillating base
- Get maximum performance with the Ceramic Technology and the 2000 W power
- Easily manage power settings, room thermostat and timer with the digital control panel
- Stay safe with the Sicura System, which automatically switches off the unit if it tips over

CERAMIC ELEMENT

The safe and efficient ceramic heating element provides fast and powerful spot-heat, due to the self-regulating heat output.

ECO PLUS FUNCTION

Optimise energy consumption with the Eco Plus function, which automatically adjusts power settings gradually as it reaches the target temperature.

FILTER SYSTEM

The washable anti-dust filter is specially designed to remove pollutants and allergens, improving the overall air quality.

TECHNICAL SPECIFICATIONS

Dimensions (W x D x H)	mm	18.2 x 22.6 x 61.2
Heating Power Max	W	2000
Heating Power Min	W	1200
Rated voltage/Frequency	V/Hz	220/240~50
Net Weight	Kg	1.73
Warranty	Year	1
