

**JUICE EXPERT 3**  
Extra Press - Juice filter  
Citrus press

**Get the very best out of your fruit and vegetables**

Our Juice Expert extracts juices that are richer in **vitamins, minerals, antioxidants and essential nutrients**, and gives you a **higher yield\***.

Our recipe book featuring **more than 100 exciting ideas** will help you make juices, smoothies, almond or soya milks and desserts, listing the **benefits** of each one so that you can combine **health and enjoyment** on a daily basis.

**3-in-1 multifunction**

**Extra Press:** this latest patented innovation by Magimix is designed for cold pressing ingredients such as soft or cooked fruit and vegetables as well as almonds and walnuts to produce wonderfully creamy juices, milks and smoothies.

**Juice filter:** a **cold pressing system** intended to extract the maximum from hard-textured fruit and vegetables (e.g. apples and carrots) and greens (e.g. cabbage, celery & kale). A patented technology exclusive to Magimix, the juice filter will give you clear, pure juices.

**Citrus press:** complete with two cone sizes, our citrus press delivers ultrafresh, pip-free citrus juice in next to no time. With our new **Pulp System**, you can choose between juice with or without pulp.

**Magimix know-how**

**Made in France** from start to finish, the Juice Expert boasts a **commercial-grade motor** that is **ultra-quiet**, saves energy, and has a **30-year warranty**.

The **XL feed tube** means you can leave most of your fruit and vegetables whole.

All the detachable parts are easy to clean and **dishwasher safe**.
