PRODUCT HIGHLIGHTS

3 PRE-SET PROGRAMS

REHEAT – bring toast back to temperature, or continue toasting for a browner result.

DEFROST – gently brings bread back to room temperature .

BAGEL – browns one side of the bread without toasting the other.

4 EXTRA LARGE COMPARTMENTS

Extra-long, 36mm wide slots to accommodate artisanal, hand-cut breads, with self centering racks for even toasting.

BACKLIT KNOB

Stylish control knob with LED lighting.

CRUMB TRAYS

Easy-clean, stainless steel removable crumb trays.

INDEPENDENT CONTROLS

Two sets of controls each controlling two slots which allow the toasting of two different types of bread at different levels simultaneously.
