

HS90X4

Built-in Rangehood, 90cm, Telescopic Slide-Out

—

This Fisher & Paykel 90cm slide out rangehood is ideal for compact kitchens.

White

Dimensions

Depth	280 - 460mm
Height	180mm
Width	898mm

Features & Benefits

Effective extraction

This rangehood requires external ductions through the top. Ducted rangehoods are more effective at removing steam, grease and odours.

Simple to use

Simply flick a switch to turn this rangehood on or off, or to change between the two extraction speeds. A separate switch controls the bright halogen lights to provide illumination over your cooking surface.

Easy clean

Two filters, consisting of layers of aluminium mesh, effectively trap grease particles during extraction. They are easy to remove and dishwasher safe, or can be cleaned by hand in hot soapy water.

Designed to match

With the white glass front panel handles and a brushed stainless steel finish, this rangehood is designed to match the rest of the Fisher & Paykel's kitchen appliance family.

Specifications

Cleaning
