

# Quad Door Refrigerator Freezer, 83cm, 508L, Water

Black | French hinge

SwitchZone™ technology and humidity-controlled bins help to create the ideal environment for various foods, with a modern flat door design.

- SwitchZone™ compartment lets you change the temperature between -18°C to +5°C
- Multi-Zone Air cooling system for consistent airflow to every corner of the fridge
- Advanced Anti-Bacterial Treatment (ABT) technology reduces bacteria\*
- Door water dispenser with a refillable interior water tank

## DIMENSIONS

Height	1775 mm
Width	830 mm
Depth	705 mm

## FEATURES & BENEFITS

### SwitchZone™ flexibility

When you need extra space, SwitchZone™ lets you change the bottom right compartment to fridge or freezer. Change it back just as easily, or select any temperature between -18°C to +5°C.

### Even cooling

Multi-Zone Air evenly circulates cool air to every corner of your fridge. By maintaining a stable temperature, this cooling system creates an ideal food storage environment, for lasting freshness.

### Anti-Bacterial Treatment (ABT) protection

### Considered design

With a modern flat door and horizontal recessed handle, this fridge is designed to fit into common kitchen cavity heights.

### 4.5-star energy rating

This quad door refrigerator looks after your fresh foods with an impressive 4.5-star energy rating.

### Lasting freshness

Two humidity-controlled vegetable bins offer plenty of space to store your fresh fruit and vegetables, creating the ideal conditions to help them last for longer.
