BENEFITS

AirFry for that perfect, crunch

When a food craving hits, make healthier and delicious food right in your oven with minimal oil. Deliver all the flavour and none of the guilt. AirFry allows you to make healthier, tasty meals for the entire family right in your oven.

Even cooking twin fan system

Our twin fan system that works to evenly distribute heat throughout the oven so you can enjoy delicious results every time.

Dinner's done sooner with our fast heat up oven

Why wait longer? Our fast oven heat up means you can get on with the job of getting dinner on the table sooner.

Ovens that clean up after themselves

Even cleaning up is easier with Westinghouse. Choose a PyroClean oven and with the press of a button you can keep your oven shiny and clean. The oven turns on to an extremely high temperature, turning grease and grime into ash. All you need to do is simply wipe the residue away. No nasty chemicals, no greasy mess just a sparkling clean oven with minimal effort.

Designed for ease and safety

Telescopic runners are another piece of thoughtful design that makes it easy to draw racks out and safely check on your dishes during cooking.

Built in Australia

Westinghouse, has been the heart of the home for generations and the kitchen appliance brand we have always known and trusted to build reliable products. This oven is built in a local factory in Adelaide.

All the room for all your family favourites

If you are serious about creating delicious family feasts and you love entertaining, you'll be right at home with our 90cm oven with a generous 125L gross capacity. That's plenty of room for the biggest Christmas turkey or a weekend roast for all the family. The extra width makes getting things in and out super easy.
