

# SFA106N

Smeg 60cm electric oven, Linear design

## COMMERCIAL ONLY PRODUCT

### THERMOSEAL

The seal of Smeg's quality, technical excellence and taste: succulent roasts, crisp pastry and impressive baking is achieved in Smeg's unique, perfectly controlled cooking environment. Thermoseal maintains the perfect atmospheric balance in the cavity for optimum cooking conditions.

### VAPOUR CLEAN

Smeg's Ever Clean enamel's tough surface has a glassy finish, so a simple spray of water and detergent around the cavity in conjunction with the Vapour Clean option will generate heat and steam to soften any grease for a wipe-clean result.

**EAN** 8017709218324

Finish	Fingerprint proof stainless steel + Black Stopsol® reflective glass
Total functions	12
Display	Compact LCD
Capacity	79L
Cooking levels	5
Thermostat	30–280°C
Installation	Underbench or wallmount

Smeg 60cm electric oven, Linear design

## FUNCTIONS:

PLEASE NOTE: Drawings are not to scale. They are to assist only.

CABINETRY: Cut-outs are indicated for proud mounting. For flush mounting please refer to a specialist installer.

VENTILATION: Ovens and compact ovens require a 35-40mm ventilation gap at the rear of the cabinet.
