

310L Bottom Mount Refrigerator

SRL334NMB

Topline key features & benefits

1. Flat, recessed design in matte black stainless steel
2. Power Cool Function
3. All Around Cooling
4. Convenient Fridge Design

Key features & message hierarchy

Flat modern design for an integrated look

The matte black finish with flat doors and recessed handles adds a touch of elegance to your kitchen. Controls are conveniently located inside the top of the fridge for ease of access.

Cool air quickly with Power Cool Function

Enjoy rapid cooling performance at the press of a button. Power Cool blows intensely cold air in the fridge to help quickly cool your groceries or favourite drinks.

Helps keep food fresh with All Around Cooling

Keep your food fresh with All Around Cooling. Multiple air vents on each shelf allows cool air to be distributed evenly from corner to corner and from all sides.

Convenient fridge design

Having the fridge at eye level allows for easy access to everyday items while the large freezer underneath stores all your frozen food. LED lighting makes it everything easy to see and find inside the fridge. Deep door pockets and spill proof shelves helps keep things organised and hygienic.
