8kg Sensor Controlled Hybrid Heat Pump Dryer

Rapidry™ Technology - Save time and money with this tumble dryer's RapiDry™ function. This Hybrid dryer merges a heater and heat pump technology, which means you can have the flexibility to use the Rapidry Mode and shorten the program duration or use the heat pump to save on energy consumption.

Prosmart Inverter Motor - Get peace of mind knowing your laundry appliance is powered by our ProSmart™ Inverter Motor technology. The motor is brushless, which means it will be quieter and more durable at the same time. And, it's built to be more energy efficient, helping to keep your energy bills down.

Woolmark Apparel Care - Beko tumble dryers have WoolMark Apparel care so your woollens are looked after with the respect they deserve.

BabyProtect Program - This offers perfect drying conditions so that your little one's clothes aren't exposed to any dust or germs whilst they're being cleaned. The hygienic drying means that you can relax and know that thanks to Beko BabyProtect+® Program there's nothing left to bring your baby out in a rash.

8 Star Energy - Reduce your energy costs with this energy efficient 8 star machine.
