### BENEFITS

---

#### 3 YEAR WARRANTY

Because peace of mind should last as long as great design, this product has three years of trusted Electrolux support.

\*Available for purchases after 1 March 2026.

#### The hands-free hood

When paired with a compatible Electrolux cooking hob, Hob2Hood automatically switches it on as you start cooking and adjusts the fan speed based on how you are using your hob. This means you can boil, sear or stir-fry without having to touch your hood with greasy fingers.

#### EXTREME EXTRACTION WHEN YOU NEED IT

When your kitchen fills with smoke or strong aromas, PowerBoost kicks into high gear for maximum extraction power instantly, clearing the air fast so you can keep cooking without the haze or lingering smells.

#### FRESH AIR EVEN AFTER YOU'RE DONE

Our delayed shut off keeps your hood running for a few extra minutes after cooking, clearing away lingering steam and odours. So your kitchen stays fresh and clean, without you lifting a finger.
