

Cuvée Rothschild

Fine dining restaurants, hotels, bars and even casual restaurants offer wine to their customers. For quick and convenient access to wine, nothing compares to wine reach-in refrigerator units. These medium and large size, attractive, and functional refrigerators are not only designed to conveniently and adequately store wine, but commercial wine coolers also operate at the highest efficiency to keep wine and beverages at the ideal temperature. In addition to all types of restaurant equipment, we offer a diverse selection of wine fridges from which you can choose to best suit your business operation.
