

RS9120WRJ1

Integrated Fridge Freezer, 906mm, 525L, Ice

Our Fisher & Paykel integrated fridges are designed to fit flush. Choose between optional stainless steel panels or integrate this right hinge fridge freezer into existing cabinetry.

Integrated

Dimensions

Depth	606mm
Height	2028mm
Width	906mm

Features & Benefits

- ActiveSmart™ Foodcare**
ActiveSmart™ Foodcare learns how you live. It's technology which understands how you use your fridge and adjusts temperature, airflow and humidity inside to help keep food fresher for longer.
- Ice maker**
Fresh ice is always available for you in a dedicated freezer bin. Simply turn it off to free up freezer space or during busy times, you can boost ice production by up to 30%.

Easy installation
Our integrated products are easy to install, whether you are renovating your kitchen or designing a new one. Adjustable front and rear feet allow for uneven floors alongside adjustable door panels that can be customised to match your kitchen.

Simple storage
This fridge is designed to make it simple for you to store, access and remove food. Storage bins give you full access inside when they're pulled open and can be easily removed to clean. Our flexible shelving also gives you more storage options.

Specifications

- Accessories**
 - EZKleen stainless steel door panel & handle kit **RD9121WR (sold separately)**
 - Joiner kit **part no. 24990 (sold separately)**
 - Replacement water filter **part no. 842802**
